

1st Optimal

Coaching Partnership Program

A woman and a man are standing side-by-side against a dark, smoky background. The woman, on the left, is wearing a grey tank top and black shorts, holding a black dumbbell in her right hand. The man, on the right, is wearing a black tank top and grey shorts, with a black watch on his left wrist. Both are looking towards the camera with slight smiles.

Common Questions

Question: What services does 1st Optimal offer?

Answer: 1st Optimal specializes in telehealth medical services, including hormone replacement therapy, peptide treatments, and weight loss solutions tailored to your needs through a membership-based model. We focus on enhancing performance, managing hormones, and effectively achieving weight loss.

Question: What is included in the membership?

Answer: Membership includes all medical oversight and consultations, shipping costs, and medical supplies. You also have access to our treatments and services at a reduced members-only rate and receive priority booking and services.

Question: How do clients sign up?

Answer: We have a dedicated onboarding workflow with a custom membership product, recurring billing, and an automated payment process.
